Dear Sirs

VIKING LIFE-SAVING EQUIPMENT A/S hereby accredits the organization listed below as a servicing station for VIKING inflatable liferafts, lifejackets and immersion suits in the geographical area of the city of Varna:

Navigation Maritime Bulgare  
1 Primorski Blvd.  
9000 Varna, Bulgaria  
VIKING authorised servicing station No.486.

Continued accreditation of the above mentioned servicing station is subject to its maintenance in accordance with **IMO Resolution A.761(18), Recommendation on the conditions for approval of servicing stations for inflatable liferafts** and the use of servicing personnel in possession of a valid certification to service the mentioned products.

Likewise the accreditation is only valid as long as the servicing station complies with agreement 484/2016 between VIKING and the servicing station. If the agreement is terminated or expired this accreditation as well as all personnel certificates immediately become invalid.

This accreditation is furthermore subject to the organization's maintenance of the approval of the National Administration.

VIKING reserves the right to withdraw this accreditation if the conditions listed above are in any way violated.

Subject to compliance with the above conditions, this accreditation is valid until the date of next inspection by VIKING or until expiry of above agreement on 31 October 2019 whichever comes first.

Yours faithfully

**VIKING LIFE-SAVING EQUIPMENT A/S**

A handwritten signature in blue ink, appearing to read "Hans-Henrik Madsen", is written over the printed name.
